RE: Failure to Comply  
Cause No. INA/045/001

Dear Mr. Ceberts:

Please be advised that the Board of Oil, Gas & Mining, State of Utah, has referred this cause to the Attorney General's office pursuant to the enclosed order of May 28, 1980. This order required your company to take certain steps to reclaim some five (5) acres of disturbed area on State Section 2, Township 2 North, Range 17 West, and Section 35, Township 3 North, Range 17 West, and to appear at the September Board hearing to present a status report on such activities. In that your company failed to appear at the September hearing and failed to notify either the Board or the Division of completion of reclamation activities by October 1, 1980, the Board has referred this matter on for initiation of legal proceedings.

Please be advised that should you fail to respond within ten days of receipt of this letter, with notice to this office as to the completion of reclamation activities required by order of the Board, that legal action will be initiated against the Numa Corporation. Said action will proceed pursuant to the Mined Land Reclamation Act, Section 40-8-1 et seq., UCA, 1953, which provides for injunctive relief and a fine of up to \$10,000 for violation of the Act and Board orders taken to enforce the Act.
